

## **About the Drummond Montessori Magnet School Local School Council**

Please join us! The Drummond Local School Council (LSC) meets one Tuesday of every month at 5 PM at the school. These meetings are open to everyone. The Drummond LSC welcomes and encourages the participation of parents, teachers, community members and students. You can contact an LSC member to have an item placed on the agenda. You can also attend meetings and speak at the open forum at every regular meeting.

The Local School Council is an elected body whose primary responsibilities are to select and evaluate the school's principal, renew the principal's contract, approve the School Improvement Plan for Advancing Academic Achievement, and approve the school's budget. The Local School Council consists of 6 parents, 2 teachers, 2 community members and the principal of the school. Council members are elected every two years in April.
